IDs and Passwords

For access to FFAVORS, your current Department of Defense (DoD) Account Manager, DoD Field Representative, and/or DoD Contracting Specialist must establish a user profile for each new user within FFAVORS.

Once added to FFAVORS, an email notification to the user with step by step instructions on how to create the eAuthentication account will be generated. Without the profile in FFAVORS, the user will not gain access to the application. For those that have an eAuthentication ID, the user profile must still be created in FFAVORS before accessing the site.

If you have problems accessing FFAVORS or do not know your current DoD Account Manager, DoD Field Representative, and/or DoD Contracting Specialist, please contact the FFAVORS help desk.

Receipting Requirement

General Information

- 'Receipts' refer to confirmation of items received entered by the customer after delivery.
- These are not bills to be paid by the customer.
- Accurate receipts ensure that program funds are drawn down based on what is actually received.

Receipting Requirement

Timeline for Receipting

- Receipt entry in FFAVORS becomes available on the order's requested delivery date (RDD). If a delivery arrives early, the customer will need to wait until the RDD.
- Receipts should be entered within seven (7) calendar days of the RDD. In most cases, this is within five (5) work days.
- All receipts remain on the 'Edit Receipts' list for a full seven (7) calendar days after the RDD. Receipts may be entered and updated multiple times as needed during this time.

Receipting Requirement

Past Due Receipts

- Receipts are considered past due if they have not been entered in FFAVORS by the end of the 7th calendar day after the scheduled RDD.
- When there are past due receipts, no orders can be placed by (or on behalf of) the customer. The order block is removed after these receipts are entered.
- State users can view all past due receipts for customers within the state via the **Past Due Receipts** link in the 'Orders' menu.
- Contact the [DLA Account Specialist](#) with any questions about receipting or problems with past due receipts.
